*“Some of the best inventions and designs ever made, are created on the basis of aesthetics, passion and laziness”*

Nikolaj Blinkenberg Willadsen

Blinkenberg CPH is a young company with old traditions founded in 2015

Inspired by functionalistic Design, Blinkenberg CPH is living by the code of bringing Designs with a purpose to life.

Our goal is to self-develop, discover, promote, produce and market unique Danish designs primary focused on Danish craftsmanship traditions.

The founder - Nikolaj Blenkinsberg Willadsen - is the great-grandson of Søren Willadsen, a cabinetmaker who was known to manufacturing furnitures designed by of some of the greates danish designers of his time.

Nikolaj has a passion for unique designs with a purpose. His designs and our designs in general are characterized by having multiple features or purposes that are all worked down to the smallest details.
